Description

Soft and fine, this wool is not only luxurious and beautiful, but also ethical since no animal is abused during its production. This material is used to create unique accessories, which are dyed by hand using an ancient technique called Shibori. With water, color, folds or thread the fabric is first dyed, then laid out to air dry, to then be dyed up to seven or eight times. The thread used for these pieces is made of peace silk, which takes the color of the rest of the foulard, scarf or shawl during the dying process. With this item you will recive a hand-crafted bag with the brand's logo, a leaflet that talks about the work and philosophy of Bettina Buttgen and another leaflet that shows you you the many ways in which this item can be worn.
