Description

This necklace is inspired by the colours and landscapes of the Gulf of Naples and it is made of hand dyed peace silk. Through water and color the fabric is first dyed, then laid out to air dry, to then be dyed up to seven or eight times. Inside there are felt balls made in Nepal with local wool by small fair trade company that Bettina is happy to support. The pearls are made of Murano glass. With this item you will recive a hand-crafted bag with the brand's logo, a leaflet that talks about the work and philosophy of Bettina Buttgen.
