Description

Lana GOTS: Bougainvillea Hand dyed Shawl

Light, warm and resistant, organic GOTS certified wool is an ethical and beautiful material that we use to create unique hand dyed accessories. Through water and color the fabric is dyed, then laid out to air dry and then dyed up to seven or eight times. The thread used for these pieces is made of peace silk, which takes the color of the rest of the foulard, scarf or shawl during the dying process. With this item you will receive a hand-crafted bag with the brand's logo, a leaflet that talks about the work and philosophy of Bettina Buttgen and another leaflet that shows you the many ways in which this item can be worn.
